HOUSE FINISHING CONTRACTORS

Gretarck Décor and Interiors Limited is a Uganda based provider of gypsum based interior house design and house finishing construction solutions for residential, business and industrial establishments. Since 2018, we have managed more than 50 interior design projects , most of them referrals from satisfied clients in Kampala and other cities in the country, as well as Kenya and Rwanda.

Our House Finishing and Decor Projects include;

- Gypsum Board Works – Ceiling, Domes, TV Units, Shelves and Wall Units
- Gypsum Mold Works – Gypsum Pillars, Arch-Ways, Cornices and Columns
- Ceiling Works – Suspended Ceilings, Lighting Integration and Ventilation
- Decorative Paint Works – Both interior and exterior house remodeling
- Wrought Iron Works – Doors, Staircases, Balconies, Windows, Gates and Gardens
- Sauna Construction – Design and Construction of Sauna

Quality Assurance on High Quality Gypsum Works

Gretarck Décor and Interiors uses high quality genuine products and employs only skilled craftspeople for every construction project we undertake. The result is that 80% of our clients are referrals, from already satisfied clients. In cases where we subcontract projects, we still supply the most skilled and experienced crafts people so that you get value for the money you spend on your construction project.

Local Contractor for House Finishing Projects

OTHER HOUSE FINISHING PROJECTS

Where We Serve (Gypsum Project Locations)

Our gypsum projects are done in Kampala, but we make site visits to remote locations in other parts of Uganda to under take gypsum construction work. So whether it is a gypsum ceiling board, wall unit, TV or entertainment unit, wrought iron works or weather guard painting, exterior painting projects or simply house decor home and refurbishing or remodeling, Gretarck Décor and Interiors will help you with project and site survey, project duration estimates, gypsum materials costing and architectural design work before proceeding to implementation and delivery of your next gypsum project.

Other House Finishing and Decor Projects include;

- Kitchen Design Projects
- Light Integration in Ceilings and Walls
- Project Conception – House Plans and Architectural Design
- House Finishing Interior and Exterior Design
- Tile Works, Granite and Marble Works
- Interior Remodeling
- Stone, Landscaping and Garden Works
- Swimming Pool Construction
